Notice to the Applicant

You have made a wise decision to apply for life insurance. The possibility exists that premiums paid over several years may exceed the death benefit. This notice is given to you at the time you apply for life insurance to tell you about that type of information the Company may obtain in connection with your application. We will treat all personal information about you as confidential.

Underwriting. Your application, together with the medical history you give, provides the initial basis for evaluation. The Company relies on the accuracy and completeness of your answers and may make inquiries, both before and after a policy is issued, to verify this information.

Sources of Information. The Company may request additional information from your physician(s) or hospital(s) or other medical professionals, or medical care institutions, pharmacy benefit manager, pharmacy, the Medical Information Bureau (MIB), other insurance institutions to which you have applied for insurance, your employers, agents of the Company, business associates, a governmental entity, financial institution, or consumer reporting agency. Your signature on the Acknowledgement and Medical Authorization Form permits the Company to make these inquiries. Such inquiries may be made by telephone, written correspondence, or personal interview. If the Company requests information from another insurance company, it will not request underwriting action. You have the right to know what information we have about you, to copy it, and if it is incorrect, to have it corrected. If the Company received information about you from an insurance support organization, such information may be retained by the organization and released to others. In this connection, the following notice is given to you as required by the federal and various state Fair Credit Reporting Acts. You have the right to access and correction with respect to this information. If you wish a more detailed explanation of information practices, please send your written request to **American Memorial Life Insurance Company, P.O. Box 2730, Rapid City, SD 57709.**

This report may include information about your character, general reputation, personal characteristics such as health, finances, and mode of living, except as may be related directly or indirectly to your sexual orientation. Any information obtained by an investigative agency may be kept in its file and later given to others who have a business need for it. If an investigative consumer report is ordered by the Company, the report will include information obtained through interviews with your neighbors, friends, or others with whom you are acquainted. You may request to be interviewed in connection with the preparation of the investigative consumer report. You may request, in writing, to receive information from the Company about the nature and scope of an investigative consumer report. Within five (5) business days of receipt of such request, the Company will provide you with the name, address, and phone number of any agency the Company asks to prepare such a report. You should contact them to obtain a copy of the report.

Medical Information Bureau, Inc. Pre-Notice. Information regarding your insurability will be treated as confidential. Conditional Premium Receipt

THIS RECEIPT PROVIDES COVERAGE ONLY IF CONDITIONS BELOW ARE MET.

The Company hereby acknowledges receipt of the initial premium from the Proposed Insured for which an application for insurance is made to American Memorial Life Insurance Company on the date of application and for the premium collected as stated on the application for insurance.

Life insurance and any additional benefits in the amount applied for shall be deemed to take effect as of the date of this application, subject to the terms and conditions printed below.

Conditions of Life Insurance Coverage (Please read carefully).

Subject to the limitations of this receipt and the terms and conditions of the policy that may be issued by the Company on the basis of the application, the life insurance and any additional benefits applied for will not be deemed to take effect unless the Company, after investigation and such medical examination (if any) as it may require, is satisfied that on the date of the application the person proposed for insurance was insurable for the amount of life insurance and any additional benefits applied for according to the Company's rules and practice of selection; provided, however, that approval by the Company of the insurability of the Proposed Insured for a plan of insurance other than that applied for shall not invalidate the terms and conditions for the receipt relating to life insurance and any other additional benefit applied for.

The amount received shall be refunded if the application is declined or if a policy is issued other than as applied for and is not accepted. Any check or Pre-Authorized Check Automatic Withdrawal (PAC) is received subject to collection of funds.

Replacing Your Life Insurance Policy?

Are you thinking about buying a new policy and discontinuing or changing an existing policy? If you are, your decision could be a good one – or a mistake. You will not know for sure unless you make a careful comparison of your existing policy and the proposed policy.

Make sure you understand the facts. Georgia law gives you the right to obtain a policy summary statement from your existing insurer at any time. Ask the company or agent that sold you your existing policy to give you information about it.

The reverse side contains a check list of some of the items you should consider in making your decision. TAKE TIME TO READ IT.

Do not let one agent or insurer prevent you from obtaining information from another agent or insurer which may be to your advantage.

Hear both sides before you decide. This way you can be sure you are making a decision that is in your best interest.

Check this box if you wish to have a policy summary statement from your existing insurer, or insurers.

We are required to notify your existing company that you may be replacing their policy.

ITEMS TO CONSIDER

1. If the policy coverages are basically similar, premiums for a new policy may be higher because rates increase as your age increases.
2. Cash values and dividends, if any, may grow slower under a new policy initially because of the initial costs of issuing a policy.
3. Your present insurance company may be able to make a change on terms which may be more favorable than if you replace existing insurance with new insurance.
4. If you borrow against an existing policy to pay premiums on a new policy, death benefits payable under your existing policy will be reduced by the amount of any unpaid loan, including unpaid interest.
5. Current interest rates are not guaranteed. Guaranteed interest rates are usually considerably lower than current rates. What rates are guaranteed?
6. Are premiums guaranteed or subject to change - up or down?
7. Participating policies pay dividends that may materially reduce the cost of insurance over the life of the contract. Dividends, however, are not guaranteed.
8. CAUTION, you are urged not to take action to terminate, assign, or alter your existing life insurance coverage until after you have been issued the new policy, examined it and have found it to be acceptable to you.

and

REMEMBER, you have ten (10) days following receipt of any individual life insurance policy to examine its contents. If you are not satisfied with it for any reason, you have the right to return it to the insurer at its home or branch office or to the agent through whom it was purchased, for a full refund of premium.
